Technical Writer

We are looking for a Technical Writer to join our team of software professionals to help us make awesome users. The Technical Writer will learn Datatech software and produce and/or update written documentation, online help, and video tutorials to help end users with day-to-day operation of the software. They will also contribute to the Datatech blog with helpful information for our users.

Education Required:

- High School Diploma
- Associate's or Bachelor's degree or equivalent experience focused in technical writing or computer science.

Experience Required:

- Technical writing of software documentation (or sufficient education)
- Experience in agribusiness and/or accounting helpful

Knowledge/Skills Required:

- Ability to learn and teach software operation
- Excellent written skills in English (Written Spanish a plus)
- Ability to deliver high quality documentation, paying attention to detail
- Strong working knowledge of Microsoft Office
- Experience with Help authoring software (ie. Doc2 Help) a plus
- Accounting software experience or education a plus
- Blogging experience (WordPress) a plus
- Camtasia or other video authoring software

To Apply:

Please email jobs@datatechag.com to let us know you are interested in a position. In your email, answer these questions:

- What type of career are you interested in?
- What do you know about Datatech?
- How can we best use your knowledge and skills?
- Are you looking for full-time or part-time work?
